

ILEA NEWS

A NOTE FROM DIRECTOR CARNEY

February means sunshine and warmer weather are just around the corner!

The Basic Academy is closing out week 4. Both classes are putting forth great effort and are excited to implement class leadership. Remember, you can view progress reports and performance updates via the Acadis portal at any time. Additionally, you're welcome to reach out for updates and/or stop by any time to see the Basic Academy in action.

The legislative session is underway with many potential impacts to ILEA and the Academy Council. Governor Reynolds recommended \$3.5 million from the Rebuild Iowa Infrastructure Fund (RIIF) to repurpose the existing S-11 Range on Camp Dodge into a law enforcement firearms range. ILEA, DPS and the National Guard will continue conversations to move this joint project forward.

Please contact your elected officials to express the importance of how this training space would positively impact the frequency of training opportunities and the quality of training.

Be well, be safe and take care of each other!

A handwritten signature in black ink that reads "Brenda Carney".

LIABILITY WAIVERS

While we appreciate the progress made with signing liability waivers prior to ILEA instructor courses and instructor renewals, we still have many training participants who show up to train without a signed liability waiver. Subsequently, our instructors and all other participants are negatively impacted by the loss of valuable training time while a solution is sought.

- **Effective February, 2, 2026**, a person cannot register for an ILEA training opportunity that requires a liability waiver (i.e. firearms instructor course, precision driving instructor course, defensive tactics instructor renewal, etc.) until the correct liability waiver is received by the ILEA.
 - The correct liability waiver must be signed by the training participant and the agency head, agency administrator, or someone who has authority to sign on behalf of the employing agency/office.
 - The signed liability waiver will be attached to the training event registration in Acadis. This will prevent those without signed liability waivers from occupying a pending seat in a training event.
- Those currently enrolled in upcoming ILEA training opportunities that require a liability waiver will be contacted by ILEA staff throughout the month of February requesting a signed liability waiver.
 - Signed liability waivers need to be received prior to **Monday, March 2nd, 2026**.
 - If a signed liability waiver is not received prior to Monday, March 2nd, **the individual will be disenrolled in the respective training opportunity**.
 - Re-registering for the same training opportunity cannot take place until the signed liability waiver has been received by the ILEA.

ILEA STAFF SPOTLIGHT

Matt Wood

What are your duties at ILEA?

I'm a Law Enforcement Instructor at ILEA. I manage the rifle program, active threat response program, and assist with a variety of other use of force related topics.

How long have you worked at ILEA? One year.

What is your favorite part of working at ILEA?

I enjoy watching students grow throughout their training, be it during the basic academy or an instructor level course. I also enjoy being a resource for officers in the field beyond their training at ILEA.

What is a hobby or interest that you enjoy outside of work?

Spending time with my family, hunting, camping, and backpacking.

A graphic resembling a notepad with a lined header and a decorative border. The header reads "UPCOMING ACADEMY COUNCIL MEETING". Below the header, there is a list of details: "February 5, 2026 at 9:00 am", "Join Zoom Meeting: [February 2026 Council Meeting](#)", "Meeting ID: 885 5215 8421", and "Passcode: February".

Reminder:

The Summer 2026 Basic Academy begins on May 4, 2026. Deadline for **Reports for Hire** is **April 6, 2026**. Physical Testing for this Basic Academy session is on **April 13, 2026 at 9:00 AM**. It will be held at:

LIED Recreation Athletics Center
Iowa State University
518 Beach Road
Ames, Iowa

UPCOMING JOB TASK ANALYSIS

The ILEA is partnering with the Iowa Department of Management to conduct a comprehensive Job Task Analysis (JTA) for the Basic Academy curriculum. To ensure our training remains current, relevant, and legally defensible, we need direct feedback from the professional stakeholders doing the work every day.

In the coming weeks, please watch for correspondence regarding opportunities to participate. Your expertise is vital to shaping the future of Iowa law enforcement training.

BASIC ACADEMY SNAPSHOTS

IOWA THRIVE RESILIENCY PROGRAM

The Iowa THRIVE Resiliency Program is a new, two-year statewide initiative focused on strengthening the mental health and resilience of Iowa's first responders and their families. The program - led by the Mount Vernon-Lisbon Police Department, supported by a DOJ COPS grant, and implemented with the Worldmaker Resilience Institute - will provide trauma-informed training and digital tools tailored to the unique needs of public safety personnel.

THRIVE training is scheduled for February 3rd and 4th in Mount Vernon. Please note that the first day of training is a prerequisite for the second day as the content builds on itself. Flyers are attached for additional information.
